TABLE SEATING PLAN TEMPLATE

Rectangular table of 8

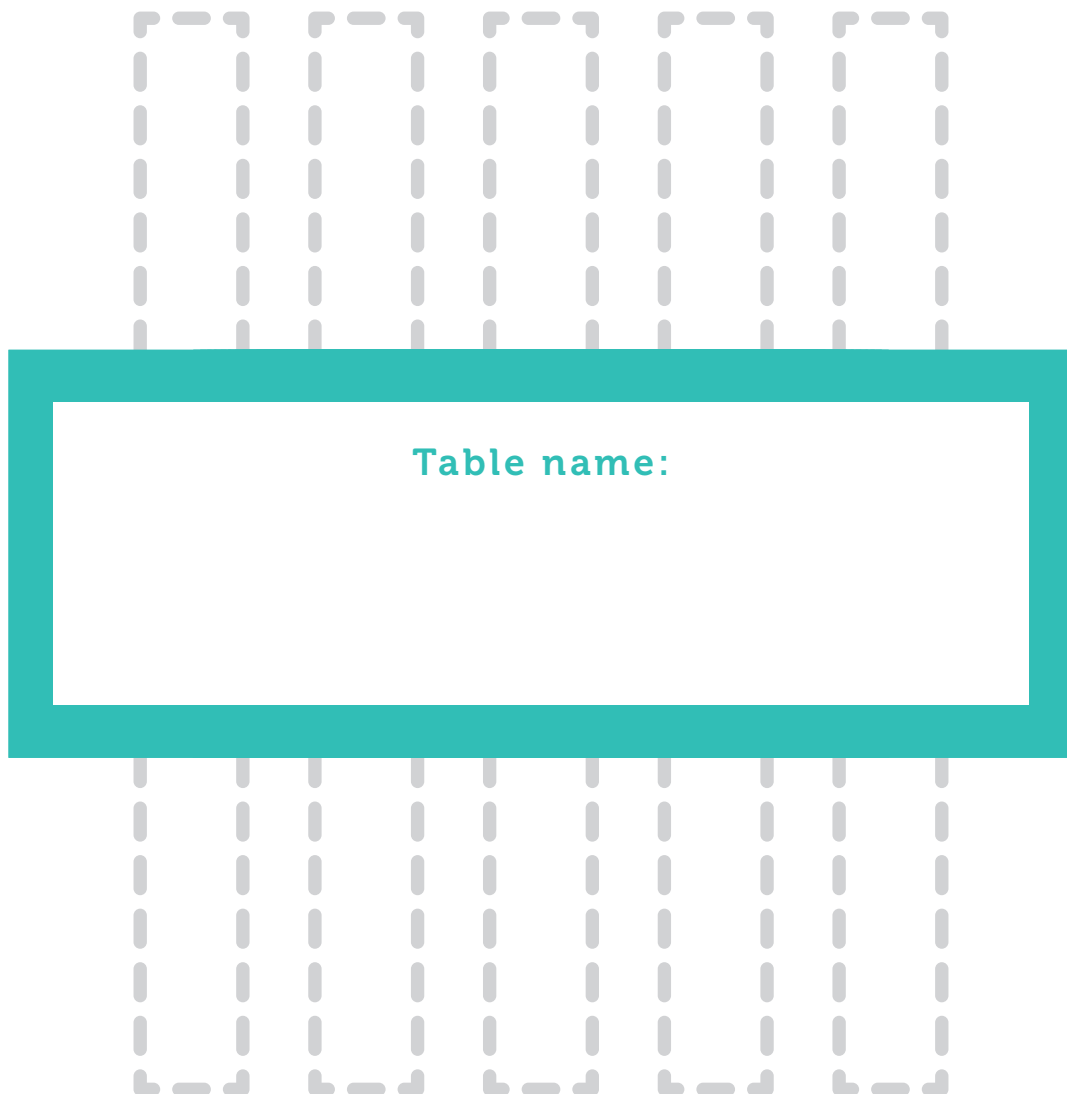

The diagram shows a rectangular table with a teal border. Inside the table, there is a white rectangular area with the text "Table name:". Above and below the table, there are four dashed rectangular outlines, each representing a seat. The seats are arranged in two rows of four, with the top row of seats above the table and the bottom row of seats below the table.

TABLE SEATING PLAN TEMPLATE

Rectangular table of 10

The diagram shows a rectangular table with a teal border. Inside the table, the text "Table name:" is centered. Above and below the table, there are two rows of five dashed rectangular outlines, representing 10 seats in total. The top row of seats is positioned above the top edge of the table, and the bottom row is positioned below the bottom edge of the table.
